

INSTRUCTIONS:

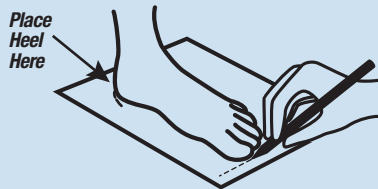

- 1 Print this guide without fitting to page
- for Mac select "none"
- for PC select "Actual Size".
Use the "**MEASURE ME!**" area to confirm accurate printing.

MEASURE ME!

IF THIS BOX MEASURES 3 INCHES (76.2 MM)
AFTER PRINTING, THIS CHART IS CORRECT.

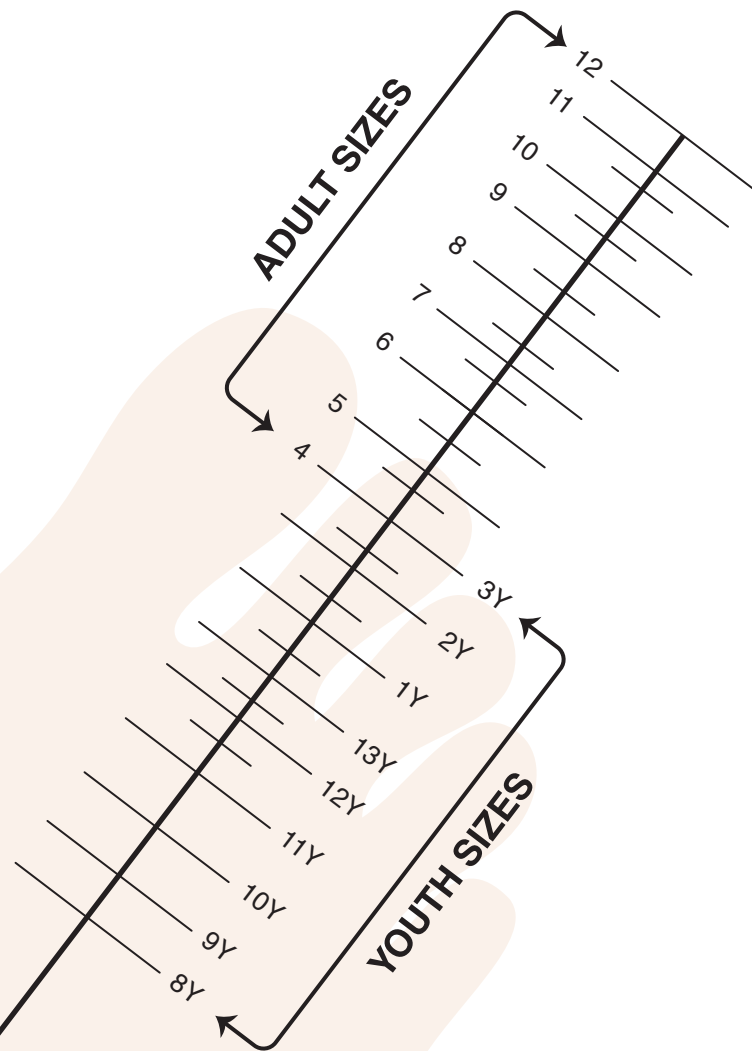

- 2 Find a flat **HARD** floor and tape down the guide.
- 3 Remove all shoes and socks and place one **BARE** foot on the guide with your heel on the line labeled "**PLACE HEEL HERE**".

- 4 Once your foot is in place stand up straight and have someone draw a line across the guide where your longest toe ends. **DO NOT** bend down to draw the line yourself.

- 5 Repeat **STEP 3** and **STEP 4** with your other foot.
- 6 Choose the size that is closest to where your **LONGEST FOOT** measured.

PLACE HEEL HERE
